APPROVAL

This application is approved subject to the conditions listed below when signed by an authorized representative of the Sandusky Township Trustees. Special Conditions _____

The roadside must be sloped away from the road to insure that no ponding is created along the county highway. It is not the responsibility of the Sandusky Township Trustees to perform the proposed work; however, the work must be performed according to the Sandusky Township Trustees specifications.

NO culvert pipe is required as of the date signed below. However, the approach must be sloped away from the road to insure that no ponding is created along the county highway. In the future, if a drainage problem arises that necessitates a drive culvert, the Owner will be required to install a culvert pipe at the Owner's expense. It is not the responsibility of the Sandusky Township Trustees to install this culvert; however, it must be installed according to the Sandusky Township Trustees specifications.

Signed _____ Date _____

Signature of the Sandusky Township Trustees or authorized representative
